Introducing Nokia Life Tools

- Nokia plans to introduce a range of services aimed at emerging markets under the name Nokia Life Tools in 2009.
- Nokia Life Tools will focus on Agriculture information and Education services with Entertainment supplementing the offering.
- The lead devices for the service are the Nokia 2323 classic and the Nokia 2330 classic.
- Nokia Life Tools helps overcome the information constraints and strives to contribute towards empowering people with the right tools enabling them make informed decisions.
- Nokia Life Tools will inform, involve, empower and help bridge the digital divide in the emerging markets.
